Re: Incessant harassment of mental, emotional, and
threats of physical abuse, and retaliation.

To whom it may concern:

I am writing your office in regards of the
incessant unwarranted harassment of mental,
emotional, and often times threats I am being
subjected to endure here in the Special Housing
Unit at USP-Coleman by the following staff! Officer
Guillemin, Brinson, G. Sharma, and Lt.
J. Turner who are responsible for the Shu!

First and foremost, I am in Special Housing
(under protective custody) from "Latin King gang members",
of which USP-Leavenworth created and USP-Atlanta
perpetuated it by fabricating statements and
documents in an vindictive attempt to transfer me
under orders of G. L. Turner who was captain at that
time. I retrieved those documents and sent those
and many others to my Honorable Judge Patti B. Sanders
to have filed away as complaints of my conditions!

constructively administered. I have informed several of these Staffs supervisors about the abuse of these officers, who are abusing their authority (under the color of state law) which is a direct violation of the constitution and the rights that safeguard me from being deprived of my liberty from such mental, emotional, or physical suffering and threats of retaliation for engaging in a constitutionally protected activity of addressing the Courts!!

Ma'am/Sir, if your office would contact my Honorable Judge, Rotten B. Lewis, District Court Judge in Boston, Massachusetts. And retrieve prior documents entered on my docket entry, I assure you that I have established chronology of events that should substantiate my claims, and the fact that the administrative remedy for me has been to no avail and futile!!

Ma'am/Sir, I am imploring your office to act on my behalf due to the magnitude of the complaint!! I thank you in advance for your time and assistance!

C. Judge Tauro
C. Judge Lewis
